Change Log for FinalFunnel Data Explorer App

Introcduction

This document describes the changes made to the app.

Changes

Date	Change	Changed By	Status
04/24/2025	Change data type of campaign_id in table dim_savedqueries from int(4) to varchar. Change requested by Tejas, as Campaign ID's within Finalfunnel can have multiple characters	Thabor Walbeek	Change made on database
04/25/2025	Change the logic for passing on the saved query info to the next page, so it will be possible to re-save the query with any filters applied	Thabor Walbeek	Implemented
04/25/2025	Remove container for saved query and only show the button Save Query	Thabor Walbeek	Implemented
04/25/2025	When loading a query it doesn't pick up the filter state of the saved query (column filters)	Thabor Walbeek	Implemented
04/25/2025	Using the reset filters doesn't reset the filters	Thabor Walbeek	Implemented
